

Cookie policy

1. Introduction

Our website, <https://deejayup.com/> and its mobile application TM (hereinafter: "the website" or "Deejy Up") uses cookies and other related technologies (for convenience, all technologies are called "cookies"). Cookies may also be placed by contracted third parties.

2. What are cookies

A cookie is a small, simple file that is sent along with the pages of this website and that your browser stores on your computer's hard drive or other device. The stored information may be returned to our servers or to the servers of relevant third parties during a subsequent visit.

3. What are scripts?

A script is a piece of program code that is used to make our website function properly and interactively. This code runs on our server or on your device.

4. What is a web beacon?

A web beacon (or a pixel tag) is a small, invisible piece of text or image on a website that is used to monitor traffic on a website. To do this, various data about you is stored by web beacons.

5. Consent

When you visit our website for the first time, we will show you a pop-up window with an explanation about cookies. As soon as you click on "All Cookies", you authorize us to use all cookies and plug-ins as described in the pop-up window and in this cookie statement. You can disable the use of cookies through your browser, but please note that our website may no longer function properly.

6. Cookies

6.1 Technical or functional cookies

Some cookies ensure that certain parts of the website function properly and that your user preferences remain known. By placing functional cookies, we make it easier for you to visit our website. This way, you do not need to repeatedly enter the same information when you visit our website. For example, the items remain in your shopping basket until you have paid. We may place these cookies without your consent.

6.2 Analytical Cookies

We do not use analytical cookies on this website.

6.3 Advertising Cookies

We do not use advertising cookies on this website.

6.4 Social media buttons

On our website we have included buttons for Instagram to advertise pages (e.g. "like," "pin") or share them (e.g. "tweet") on social media like Instagram. These buttons work using Instagram code itself, which embeds cookies. These social media buttons can store and process certain information, so you may be shown a personalized advertisement.

Please read the privacy policy of these social media sites (which may change frequently) to find out what they do with your (personal) data that they process using these cookies. The data they receive is made as anonymous as possible. Instagram is located in the United States.
